

# Jane Davis jewellery by design

**"Experience Glamour and inspiration in Exquisite and unique Jewellery found in Jane Davis Jewellery by design."**

Jane Davis Jewellery brings you exquisite pieces that are unique and you will want to wear everyday. Situated in Epsom it comprises of an intimate and personal customer service, whereby you will receive an experienced first class service that offers both knowledge and advice to all.

Every piece is made using either semi-precious stones or, for when a touch of glamour is needed, Swarovski Crystals.

All fittings are either Sterling Silver or minimum 9ct gold, and all items are hall marked. Natural stones give a truly unique finish to every piece of jewellery as no two stones will be exactly the same. Items include necklaces, bracelets, earrings, rings, and cufflinks

The aim is to create wearable, original jewellery that your friends will envy and you will adore.

It is what everyone should be wearing as the jewellery is designed to make the wearer feel independent, stand out and not to be seen to be following the crowd.

The current collection includes colours such as turquoise, white, pastel shades, orange and silver. All items are beautifully gift wrapped and boxed.

Jane Davis Jewellery also features a custom design service for special events / weddings and presents for those who need that extra bit of help when choosing what is right for them or their friends and family.

Jane Davis Jewellery was established in August 2005, and has so far appeared at the Clothes Show in December 2006, Vitality Show in March 2007 and due to appear at the Summer Fair held at Excel in June 2007.

So visit Jane Davis Jewellery by Design as it will bring a new meaning to the word unique as all items display what jewellery should be about: beauty and individuality
